June 2019

## NEWS & UPDATES

Have a lovely half term break; the newsletter is a little earlier than planned due to the pyjama day in the first week back.

### PYJAMARAMA DAY

On Friday 7<sup>th</sup> June, we will be taking part in Pjamarama Day to help the book trust inspire a love of reading for all children. For a donation of a £1.00 or more children can come to school in their pyjamas, this donation will go towards books for children that may be in care, have additional needs or facing economic hardships. Each year the book trust reaches families and children through health centres, libraries, schools, food banks and children centres with books, resources and support, ensuring that no child misses out on a bedtime story. Our school will also be entered into a prize draw to win a visit from a children's author.

### PE KIT

Please can ALL children have their correct PE kit in school from Monday - Friday every week.

### MORE SPORTING SUCCESS!

Following our amazing Kurling performance last term when we qualified for the North Shropshire Games, we had a fantastic time at the Corbet Rounders competition and have again qualified for the North Shropshire Games by coming runners up in the final.

To be honest, none of us were expecting to make it to the final as we have only just started learning how to play Rounders in PE. The children were amazing and worked so well together as a team to put on a fantastic performance.

The date and location has not yet been confirmed, but at some point during the next half term (possibly towards the end of June), we will be going to the North Shropshire Games to represent our area in two sports. That is a huge achievement for such a small school so we are very excited about this opportunity.

### SATS

Congratulations and well done to the year 6's who worked very hard at their SAT's this year. The results are marked externally and we will find out how they did near the end of term.

Year 6 had a fab end of SAT's trip to the Harry Potter Studios, Watford. It was a very long day for them but they thoroughly enjoyed it. Thank you to the Friends of Weston for helping to fund this trip.

### OLD CYCLE HELMETS

Does anyone have old good quality children's cycle helmets hanging in your shed that you're not quite sure what to do with? Would you consider donating them to school for children to wear when they use the trikes? If so, please bring them to school and give them to Mrs Hoggart or Mrs MacDonald.
