NEWS & UPDATES

27th September 2019

Preparing for life in all its fullness

We are currently collecting Aldi stickers to get some new sports equipment – please think of collecting the stickers for us if you are doing an Aldi shop and send them in to school. Many thanks!

Please remember that if you have any messages for school staff, let Mrs MacDonald in the school office know and she can ensure that they are passed on to the appropriate member of staff. First thing in the morning is a very busy time for school staff and is not always the best time for a chat or to ask for a message to be passed on. Mrs MacDonald will also be happy to make an appointment for you to see teaching staff or myself if you would like a more in-depth conversation with any of us.

Our school Harvest Service is coming up on 7th October at 2pm in Holy Trinity Church. Everyone is very welcome to attend. We will be asking for Foodbank donations for the children to present in lieu of a collection at the service – please see the attached list for the items which the Foodbank currently needs.

Ms Marilyn Hunt, Headteacher

Aldi's Kit for Schools

Collect Team GB stickers when you shop at Aldi to give your children's primary school the chance to win one of 20 prizes of £20,000 to kick start a health legacy. All schools who enter by completing an Aldi's Kit for Schools poster will also receive an exclusive school sports kit!

BREAKFAST CLUB

Please remember that our breakfast club is available to all pupils from 8:00am to 8:40am every day. Children attending breakfast club need to come into school through the main entrance door. Please book your child into breakfast club through Mrs MacDonald in the school office.

MUSIC LESSONS

Music Heroes deliver music lessons every week on Monday's and Friday's. Children can have a free taster session for piano, guitar, drums and violin. If you would like to book one, please see Mrs MacDonald.

PARENT APP

Please remember that the majority of school communications are now sent via Parent App which is an efficient and reliable way of ensuring that you receive all of the information that you need to know about what is happening in school and when.

All Parents will have been sent an email invitation from Parentapp with further instructions on downloading and accessing the app. If you would like the invitation resending, please contact Mrs MacDonald.

Thank you to Mr Burton for organising a brilliant trip to Electric Mountain Hydroelectric Station in Llanberis at the start of this term. It was a fantastic introduction to the “Earthquakes and Volcanoes” topic which pupils are currently studying and an excellent opportunity to consider environmentally sensitive engineering on a vast scale!

The journey was like a sightseeing tour, it was long but when we got near to Electric Mountain the views were breathtaking.

Our tour guide, Wyn, was brilliant and I learnt a lot of interesting facts. It was great fun and there are some amazing feats of engineering.
